## Dear Friends and Neighbors

Sullivan 180 and the Rural Health Network are pleased to bring you the third edition of the **Community Resource Guide**. This printed version has been updated for 2024. You can also access the electronic version of this guide by scanning the QR Code below. The electronic version is updated regularly.

### NEW THIS YEAR!

**Sullivan County has some of the most outstanding natural resources and public spaces.** These places add to the health of our community by providing a connection to nature and access to outdoor activities. We have added some of these public spaces as well as links to learn more about our incredible trails and the developing Sullivan O&W Rail Trail.

The Guide now features a listing of health and wellness resources to explore for a program or class that might fit your lifestyle, interest or schedule.

We are also pleased to present **Unite Us**, an online resource and referral service now available in Sullivan County. **Unite Us** facilitates connections for anyone in need by being a direct referral and link to government, healthcare, and local community-based organizations offering a variety of services. Information to learn more is available toward the end of the guide. A special icon denotes listed organizations that are connected with Unite Us.

### Why a Community Resource Guide?

In the Community Health Needs Assessment, Sullivan County residents stated “lack of knowledge of existing resources” as their #1 barrier to improving their own health. This Guide is a collaborative effort with our partners, volunteers, and YOU, to ensure that every resident has access to the resources to turn around the health of our county one degree at a time. We hope that this is a tool for you to connect with resources; and that it empowers you, your family and friends whenever help is needed.

If you know of a place or a group of people who could benefit from having easy access to this guide, connect with us for additional copies or scan the QR code on the cover to quickly share information. If you represent an organization or agency that would like to be included, contact us to share your information. (Remember, the digital version of the guide is updated regularly.)

Thank you in advance for using and sharing the Community Resource Guide.

### Queridos Amigos y Vecinos

Sullivan 180 y Rural Health Network se complacen en presentarles la tercera edición del **Guía de recursos comunitarios**. Esta versión impresa se actualizó para 2024. También puede acceder a la versión electrónica de esta guía escaneando el código QR a continuación. La versión electrónica se actualiza periódicamente.

### ¡NUEVO ESTE AÑO!

**El condado de Sullivan tiene algunos de los recursos naturales y espacios públicos más destacados.** Estos lugares contribuyen a la salud de nuestra comunidad al brindar una conexión con la naturaleza y acceso a actividades al aire libre. Hemos agregado algunos de estos espacios públicos, así como enlaces para obtener más información sobre nuestros increíbles senderos y el Sullivan O & W Rail Trail en desarrollo.

La Guía ahora presenta una lista de recursos de salud y bienestar para explorar en busca de un programa o clase que pueda adaptarse a su estilo de vida, intereses o horario.

También nos complace presentar Únenos (Unite Us), un servicio de referencia y recursos en línea ahora disponible en el condado de Sullivan. Únenos facilita las conexiones para cualquier persona necesitada al ser una referencia directa y un enlace con el gobierno, la atención médica y las organizaciones comunitarias locales que ofrecen una variedad de servicios. La información para obtener más información está disponible hacia el final de la guía. Un ícono especial indica las organizaciones enumeradas que están conectadas con Unite Us.

### Por que una guía de recursos comunitarios?

En la Evaluación de las necesidades de salud de la comunidad, los residentes del condado de Sullivan declararon que la “falta de conocimiento de los recursos existentes” es su barrera número uno para mejorar su propia salud. Esta Guía es un esfuerzo de colaboración con nuestros socios, voluntarios y USTED, para garantizar que cada residente tenga acceso a los recursos para mejorar la salud de nuestro condado, un grado a la vez. Esperamos que esta sea una herramienta para que usted se conecte con recursos; y que le empodera a usted, a su familia y a sus amigos cuando necesitan ayuda.

Si conoce un lugar o un grupo de personas que podrían beneficiarse al tener fácil acceso a esta guía, conéctese con nosotros para obtener copias adicionales o escanee el código QR en la portada para compartir información rápidamente. Si representa una organización o agencia que le gustaría ser incluida, contáctenos para compartir su información. (Recuerde, la versión digital de la guía se actualiza periódicamente).

Gracias de antemano por usar y compartir la Guía de Recursos Comunitarios.
