

# Community Workshop: Container Gardening

**Container gardening made easy!  
Join Carmela Hugel, Sullivan 180  
Beautification Program Manager to learn  
how to craft the perfect container garden.**

This workshop will detail combinations of annuals, perennials, and edibles for creating vibrant planters for your home, school, or public spaces. See how the Thriller, Filler, Spiller technique can make it easy to create an eye-catching container. Also, gain insight on caring for containers, receive recipe cards, and learn about multi-season plantings.

**Thursday, July 13 • 2:30 PM**

**Rain or Shine**

**St. John Street**

**Community School**

**22 St. John Street**

**Monticello, NY**
