

Naloxone (Narcan) Training

Be prepared, save a life

Anyone can learn how to recognize and respond to an opioid overdose.

Through this training, participants will also learn how to safely administer Naloxone and reverse an overdose. Additional resources including Hope Not Handcuffs and the Sullivan County HOPE referral line will be explored. Participants will receive a free naloxone kit and certification card upon course completion.

To schedule a FREE training, contact Lindsay Wheat, Sullivan 180 Outreach Coordinator, at 845.295.2683 or Lindsay@Sullivan180.org.

Trainings must be completed in person.

Presented in partnership with Sullivan County Opioid Overdose Prevention (SCOOP).
